

GRADE 11 & 12 REGISTRATION INFORMATION

Lord Selkirk Regional Comprehensive Secondary School

Our Mission

To encourage all students to realize their full potential.

Our Vision

To provide an environment that encourages the development and practice of
our core values:

- RESPECT
- INTEGRITY
- ACCOUNTABILITY
- EMPATHY

Student Support Teams (2024-2025)

Principal – Mr. Nazimek

**Grade 10 VP
Mr. Skarban**

**Grade 11 VP
Mrs. Coe**

**Grade 12 VP
Ms. Smith**

Each grade level student support team has a learning support teacher, a school counsellor, and our Indigenous counsellor.

Do you have all your required courses?

English 30 Courses

Must Choose 1

**Consult with English teacher for best option*

Comprehensive	Transactional	<u>Enriched</u> Literary
<ul style="list-style-type: none"> Students that are considering post-secondary as an option or are unsure about future Requires reading a Shakespearean play Students who enjoy reading a combination of fiction and non-fiction 	<ul style="list-style-type: none"> Students that are considering post-secondary or vocational education Students that are interested in research-based, pragmatic, or non-fiction writing/reading Exploring literature through project-based learning May include Shakespearean play 	<ul style="list-style-type: none"> Students MUST have taken Enriched EN20F OR be recommended by their Grade 10 English teacher Students that are considering university specifically Students that are considering taking the Dual Credit English in Grade 12 Requires reading a Shakespearean play and contemporary play

English 40 Courses

Must Choose 1

**Consult with your English teacher for best option
All Core EN40 Credits are Post-Secondary Entrance Approved*

Comprehensive	Literary	Transactional	<u>Enriched</u> Literary
<ul style="list-style-type: none"> Students will work on both literary analysis and writing as well as practical reading and writing Requires reading a play (typically a Shakespearean play) Students who enjoyed Grade 11 Comp and the variety it offers may also enjoy Grade 12 Comp 	<ul style="list-style-type: none"> Requires reading a Shakespearean play Students that enjoy analyzing ideas/visuals/written texts Students that are considering enrolling in Dual Credit University English Students should be willing to share ideas orally and in written work 	<ul style="list-style-type: none"> Students that are interested in research-based, pragmatic, or non-fiction writing/reading Explore diverse forms of communication including letters, reports, media, research-based writing & public speaking Exploring STEAM based learning May include Shakespearean play Transactional writing requires students who are working towards becoming precise, detail oriented, succinct writers 	<ul style="list-style-type: none"> Students MUST have taken Enriched EN30SLE Students that are considering university specifically Students that are considering enrolling in Dual Credit University English Requires reading a Shakespearean play

Going to University?

Additional English Options to Consider
(Prerequisite: Core EN40S)

LITERARY AND DRAMATIC FORMS 40S (EN40S0028)	LANGUAGE AND TRANSACTIONAL FORMS 40S (EN40S0029)	UNIVERSITY ENGLISH DUAL CREDIT OPTIONS
<p>Students who are thinking of pursuing post-secondary education should enroll in this second credit English course.</p> <p>Literary & Dramatic Focus will further students' understanding of literature, as well as assist in developing their ability to produce creative texts in a variety of forms such as a novella, play, children's book, and short films</p>	<p>Students who are thinking of pursuing a post-secondary education should enroll in this second credit English course.</p> <p>Transactional & Journalistic Forms will further students' understanding of journalistic forms such as feature and hard news articles. Students will also have an opportunity to create a variety of practical forms such as a magazine, newspaper, and short films.</p>	<p>University Now ENGLISH 1 (EN42U4498)</p> <p>University Now ACADEMIC WRITING (EN42U)</p> <p><i>See Registration Guide on the School Website for more information.</i></p>

Math 30 Courses

Must Choose 1

**Explore post-secondary requirements and consult with your math teacher*

ESSENTIAL MATHEMATICS 30S (MA30S3000)	APPLIED MATHEMATICS 30S (MA30S3903)	PRE-CALCULUS MATHEMATICS 30S (MA30S3939) & ENRICHED 30S (MAE30S3939)
<p>This course is intended for students whose post-secondary planning does not include a focus on mathematics and science-related fields. Students work on mathematical concepts and skills encountered in everyday life in a technological society.</p> <p>Prerequisite: Any Math 20S</p>	<p>This course is intended for students considering post-secondary studies that do not require a study of theoretical calculus. It is context driven and promotes the learning of numerical and geometrical problem-solving techniques as they relate to the world around us. Primary goals are to develop critical thinking skills through problem-solving and model real-world situations mathematically to make predictions.</p> <p>Prerequisite: Intro to Applied and Pre-Calculus Math 20S</p>	<p>This course is designed for students who intend to study Calculus and related mathematics as part of their post-secondary education. The course comprises a high-level study of theoretical mathematics with an emphasis on problem-solving and mental mathematics.</p> <p>Prerequisite: Intro to Applied and Pre-Calculus Math 20S (Mark 75% or higher recommended)</p>

Math 40 Courses

Must Choose 1

**Explore post-secondary requirements and consult with your math teacher*

**Taking a higher-level math? Consider taking Essentials MA40S for an elective as a graduation safety net*

ESSENTIAL MATHEMATICS 40S (MA40S3000)	APPLIED MATHEMATICS 40S (MA40S3903)	PRE-CALCULUS MATHEMATICS 40S (MA40S3939) & ENRICHED 40S (MAE40S3939)
<p>This course is intended for students whose post-secondary planning does not include a focus on mathematics and science-related fields. Topics include analysis of games and numbers, vehicle finance, statistics, precision measurement, home finance, geometry and trigonometry, business finance, probability, and career life.</p> <p>Prerequisite: Math 30S</p>	<p>This course is intended for students considering post-secondary studies that do not require a study of theoretical calculus. Graphing calculators and/or computers are used for mathematical experimentation, modelling, and problem solving as students work with non-routine problems and projects. Topics include financial mathematics, logical reasoning, probability, relations and functions, and design and measurement.</p> <p>Prerequisite: Applied Math 30S, or Pre-Calculus Mathematics 30S (minimum 70%)</p>	<p>This course is designed to prepare students for calculus and sciences in college and university. Topics include transformation of functions, trigonometric functions, exponential functions, logarithmic functions, polynomial functions, radical functions, rational functions, and the binomial theorem.</p> <p>Prerequisite: Pre-Calculus Math 30S (minimum 75% recommended)</p>

Want More Math?

INTRO TO CALCULUS AND ADVANCED MATH TOPICS 40S (MA40S3908)

This course is scheduled for semester two and is designed to prepare students for university calculus. Topics include limits, derivatives of polynomial and rational functions, minima/maxima, curve sketching, related rates, integrals, implicit differentiation, derivatives of trigonometric and logarithmic functions, volumes of revolution, complex numbers and integration by parts. Prerequisite: Pre-Calculus Math 40S

Science Electives

Grade 11	Grade 12	Advanced Courses
Biology 30S	Biology 40S	Advanced Biology 42S
Chemistry 30S	Chemistry 40S	Advanced Chemistry 42S
Physics 30S	Physics 40S	Advanced Physics 42S
Topics in Science 30S (a general science elective)		

**IMPORTANT: Consult Post-Secondary Requirements
(guides available in the Career Centre)**

Social Studies Electives

All students are required to take Canadian History 30F

The Social Studies Department provides a wide variety of elective courses, many at the 40 level but most of these courses are open to grade 11s:

First Nations, Metis, and Inuit Studies

Global Issues

History of Western Civilization

Law

Psychology

Sport Psychology

Sociology

World Geography

Introduction to Global Citizenship, a University Now course, is also available.

Performing Arts Electives

Grade 11 and Grade 12

Concert Band 30, 40

Jazz Band 30, 40

Jazz Improv 30, 40

Sr. or Jr. Symphonic
Band 30, 40

Fundamentals in Music
30, 40

History of Western Music
30, 40

Composition 30, 40

Concert Choir 30, 40

Chamber Choir 30, 40

Vocal Jazz 30, 40

Acting 30, 40

Drama Production
30, 40

Film Studies 30

Cinema as Witness to
Modern History 40

Electives with No Pre-Reqs

- Business Communications 30
- Career Development – Building 30
- Accounting Essentials 30
- Retailing Perspectives 30
- Economics Principles 40
- Applied Business Technologies 40
- History of Western Music 35
- Film Studies 30
- History of Western Music 45
- Cinema as Witness to Modern History 40
- Print Production 30
- Graphic Communication Technology 40
- Applied Print Media 40
- Contemporary Art Making 30
- Sport Psychology 31
- Canadian Law 40
- First Nations, Metis, Inuit Studies 40
- Global Issues 40
- History of Western Civ. 40
- Psychology 40
- Sociology 41
- World Geography 40

New & Newer Electives

- Career Development-Transitioning 40S & Transitioning to the Workplace, University, and College (2 credits must be taken together)
- Operating Systems 30S
- Retailing Perspectives 30S
- Sports & Entertainment Marketing 40
- Topics & Trends: Real Estate & Property Ownership 40
- Contemporary Art Making 30S: Art Without Drawing
- Sport Psychology 31
- Hockey Skills (Royals Hockey Academy) 21, 31, 41
- Indigenous Language and Culture 41

Choosing Your Electives

- Check your Major/Vocational Program Requirements (e.g. Automotive Technology, Hairstyling, Graphic Design)
- Check for any required courses from previous years
- See registration guide on the school website for a full list of options and detailed description of courses
- See you Grade-Level School Counsellor if you have questions about registration

On-Line Registration: Register

The screenshot displays the PowerSchool website interface. On the left, a navigation menu lists several options: Grades and Attendance, Grade History, Attendance History, School Bulletin, Class Registration, and Balance. The 'Class Registration' option is highlighted with a red arrow. To the right of the navigation menu, the main content area shows the 'Grades and Attendance' section. Further right, a sidebar displays the 'Lord Selkirk Regional Bulletin' for 'Day 2/6'. Below the bulletin, there is a 'MENU' section titled 'Cafeteria Menu' which lists items: Soups (Boston Clam Chowder), Cold Sandwich (Tuna Salad), Hot Sandwich (Meat Ball Sub), Special (Teriyaki Salmon, Jew), and Salad Bar Feature (Oriental S). At the bottom of the sidebar, there is a section titled '2015-2016 Register' with a brief description of registration information assemblies.

Registrations Sessions

- Counsellors will be available for Lunch Hour Sessions in Computer Lab Room 284 at the following times:
- March 5th, March 6th & March 7th
- March 12th, 13th & March 14th

Now What???

Friday, March 1 – Friday, March 15

- Complete your online registration
- Student fees(\$20) – in person or online anytime

Early June

- Timetable distribution
- Timetable revisions
- Online/in-person payments
 - Optional parking pass(\$50)
 - Student fees(\$20) – if not already paid
 - Optional lockers (\$10/per year)

Final Points...

- The online payment link is found on the home page under registration and student fees
<https://lssd.cims-epic.ca/publicconnect/DistrictPayOnline.aspx>
- Payment can be in person through the office or online
- Registration guides are available on the school website
- Registration PowerPoint will be on the school website
- Mrs. Mosienko is in the Career Centre and can help with Post-Secondary Information
- Online registration is now open and will close on March 15th
