

Lord Selkirk Regional - Student Parking Policy/Contract 2023-2024

A Student Parking Lot is located along Mercy Street, north of the staff parking lot and south of the outdoor track facility. **This parking lot is not able to accommodate larger vehicles or oversized trucks. Individuals with these vehicles will need to park on the street or take the LSSD school bus if eligible.**

Students attending the Lord Selkirk Regional Comprehensive Secondary School can apply to purchase a parking pass to use the Student Parking Lot between 8:00AM and 4:00PM, Monday to Friday. Once an application is approved, a parking pass will be issued in September upon receipt of payment and a fully completed and signed contract.

Please note that parking may be periodically interrupted by events at the school and/or track.

Parking in the Student Parking Lot is a privilege that can be revoked at any time for failure to abide by school policies and expectations.

Parking Permits will only be issued to students who have paid their student fees in full and are not in arrears for any other school fees or fines.

Students with valid Parking Permits can park in any of the stalls on a first come, first served basis (no assigned stalls). Students occupying more than one stall in the Student Parking Lot, parking in the Staff Parking Lot, the Visitor's Parking Area, designated Handicap parking spaces, a Fire Lane, traffic corridors, or the bus loop may have their vehicles towed without warning and at their expense and/or may lose their parking privileges.

LSRCSS reserves the right to limit the number of parking passes. There are only 160 parking spots in the student lot.

I acknowledge my understanding of the aforementioned information by placing my initials here:

Student

Parent (if student is under 18 years of age)

I, the undersigned, understand and agree to the following:

- That I must hold a current driver's licence issued by the Province of Manitoba.
- That only duly registered/insured vehicles are to be brought onto school grounds.
- There is a limit of one Parking Permit per student.
- To pay a fee of \$50 for a Parking Permit (should the permit only be needed for first semester, a \$25 refund will be given upon return of the permit to the office).
- Parking Permits for second semester are available at a fee of \$25.00 and should be purchased when passes go on sale. Permits will be held in the office until start of second semester and upon presentation of a valid driver's licence.
- Parking Permits are NON-TRANSFERABLE. They are for use by the assigned student only and may not be sold, rented, or given to any other person. **Failure to abide by this policy will result in an automatic revocation of parking privileges.**
- The Lord Selkirk School Division and LSRCSS are not responsible for damage done to vehicles while in the school parking lots. **I assume responsibility for using the student parking lot and park at my own risk.**

- That I must always display my Parking Permit on my rear-view mirror or on top of the dashboard while parked in the Student Parking Lot so that it is clearly visible from outside the vehicle. Failure to do so may result in vehicle being towed or being asked to leave the lot.
- That my Parking Permit may be revoked WITHOUT refund if I am involved in the duplication or forgery of Parking Permits, do not always follow safe driving practices in the parking lot or in the community while in the vicinity of the school and/or allow others to operate my vehicle in a manner that violates the terms of this agreement.
- That my Parking Permit may be revoked without refund if I use, or facilitate the use by others, of prohibited products/substances included, but not limited to, alcohol, drugs, and smoking or vaping while on school property.
- That I, along with my passengers, will abide by the LSRCSS Code of Conduct while in my vehicle on school grounds and that any violation may result in disciplinary action.
- That I will not “hang out” or loiter in or around my car while in the Student Parking Lot.
- That my vehicle may be towed at my expense should I violate any aspect of the Parking Policy Contract.
- That the information provided on this contract is complete and accurate.
